### Adult Class Fee Schedule 2020

'MOST POPULAR' payment methods are in Blue

**Please note:** The fee structure is designed to encourage payment in a way which reduces admin time. I prefer not to charge penalties so please pay on time! Your payments by the 7<sup>th</sup> of the month are much appreciated because they go directly to the rent which comes out by auto-pay on the 8<sup>th</sup> of the month.

\* 'Regular' means that the monthly fee will be paid consistently without break. It is not a contract. The Regular Auto rate for 12 months is a saving of \$240 (2 months free!) over the Random monthly rate for 12 months. If you expect to be absent for more than 2 months, you may prefer the random monthly rate.
